JESS HAWKINS - SINGER & CELEBRANT

YOUR WEDDING SOUNDTRACK

Your wedding music should feel completely you. With a repertoire of **over 400 songs** spanning pop, soul, alternative, jazz, R&B, dance, and more, I can tailor your wedding soundtrack to reflect you as a couple, with something for everyone to enjoy. Choose from acoustic sets, Retro Remix sets, or a mix of both, tailored perfectly to your day and your vibe.

✨ CHOOSE FROM TWO AWESOME OPTIONS ✨

Acoustic Covers: Beautiful, stripped-back versions of your favourite songs, performed to high-quality piano and guitar tracks. Perfect for romantic, relaxed, and intimate moments, as well as upbeat, fun moments!

Retro Remixes: The songs you know and love, but performed in a way the older folk will also love! Think vintage jazz, swing and funk versions of popular songs. Most of these are Postmodern Jukebox and Scary Pockets covers (check them out if you're not familiar), which are fun, unexpected, and guaranteed to entertain your guests.

You can stick to one style throughout or mix and match. For example, if you've booked me for the drinks reception, you could have 1 acoustic set and 1 Retro Remix set. Either way, your day will sound totally unforgettable.

SONG REQUESTS & SPECIAL MOMENTS

I'm happy to learn up to two new songs per couple that aren't already in my repertoire - ideal for special moments like your aisle walk song or wedding breakfast entrance. Additional song requests can be added for an extra fee (but can't always be guaranteed due to my schedule - please do just ask!). If a bespoke backing track is required, this will also be charged separately to ensure the highest quality and a truly polished sound.

Have a browse through the repertoire and start imagining how your day will feel. If you don't see exactly what you're after, just shout! I'm learning new songs all the time and am always happy to chat through bespoke ideas.

HELPFUL REMINDERS ON CHOOSING SONGS

There's no pressure to choose every song (but you're, of course, welcome to)! You can just pick a handful of your faves, tell me the general vibe you're after (and your favourite genres of music, etc.), and I'll sort the rest! Feel free to also tell me if there are any definite no's! (Specific songs, genres or artists.)

Ceremony: roughly 8 songs for the guest arrival, an aisle walk song, 2-3 for signing the register, and then an exit song (or 2!)

Drinks reception or Wedding Breakfast: if booked for 90 mins - roughly 22-25 songs (depending on their length)

ACOUSTIC COVERS - either piano, guitar, or a combo. (A few songs also have a little percussion.) *Retro Remixes are at the end.*

Unless otherwise stated, these songs are similar to the original, but reimagined in an acoustic, stripped-back style.
