JESS HAWKINS – SINGER & CELEBRANT

This ever-growing repertoire (I'm adding new gems all the time!) is packed with stunning ballads and feel-good bangers, spanning many genres and decades. Think timeless classics, modern hits, and everything in between. Quite a few of these songs are available in both an upbeat and a ballad style - just ask if you're looking for something specific!

Most of my repertoire is made up of acoustic-style covers - beautiful and stripped-back, with piano and/or guitar. There's also an exciting new addition - which will be ready for 2026 - **Retro Remixes**: your favourite songs reimagined in fun vintage and funky styles like jazz, swing, rockabilly, motown and funk, with big-band style backing tracks. *The following repertoire reflects my acoustic covers only.*

Special Songs - Ceremony Entrance/Exit, Wedding Breakfast Entrance, First Dance.

I'll happily learn these special songs for you, even if they're not already in my rep! If we need to create a custom backing track (piano and/or guitar) to bring your vision to life, there will be a small charge incurred per track - but it's worth it to make those unforgettable moments absolutely perfect!

Song Requests

I'm happy to take song suggestions to make your wedding truly unforgettable, but here's how it works:

Already in my rep? No extra charge - I'm ready to perform it!

Not in my rep? This counts as a Song Request. I'll do my best to learn it, but please note:

- Due to my busy schedule, I may need to limit the number of new songs I take on per couple (usually at least 2).
- If I can't find a suitable backing track for your chosen song, I can hire a musician to create a bespoke backing track at £34.99 per song (although price is subject to change if the musician increases their rate). This ensures you get your dream songs and the quality stays top-notch for your big day!

Song Requests are always open for discussion to ensure you get the perfect soundtrack for your big day!
